Sports/school/youth groups from Southwick and surrounding towns, charities or non-profits within or benefiting the citizens of the local community, or benefits to aid local individuals/families in adverse circumstances are invited to participate. Reservations made on a first come, first served basis. Your reservation is confirmed when we send you the flyer. We reserve the right to determine which groups are eligible to participate. Qualifying criteria includes (but is not limited to) group location, group size and fundraising purpose. Individuals and groups with less than ten active members are not eligible to participate. Teams or groups that are affiliated with a parent league, group or organization will be discouraged. However, the umbrella group can book a fundraiser to benefit itself as a whole or its subgroups.
